WE ALL SCREAM FOR WINE ICE CREAM

Treat yourself to a not-so-guilty pleasure that combines two things we love most – wine and ice cream. The Blue Pig selects only pure, locally-sourced ingredients to create distinct grown-up flavors like Chocolate Cabernet and Blueberry/Sour Cherry sorbet made with Hudson Valley wines and cordials. Flavors change with the seasons so hurry and lap 'em up! Available at *The Blue Pig*, 121 Maple St., Croton-on-Hudson
